The label has a green background with a stylized 'Triumph Gel' logo at the top, where 'Triumph' is in a large, bold, yellow font and 'Gel' is in a smaller, blue font with a red lightning bolt graphic. Below the logo, the word 'HERBICIDE' is written in large, bold, blue capital letters. Underneath that, the text reads 'Ready To Use Weed Killing Gel With In-Built Applicator For Direct Application Onto Cut Stems' in a smaller, dark green font. At the bottom of the label, in a very small font, it says 'Active Ingredient: 43 g/kg picloram as the potassium salt in the form of a gel'.

Always read the label completely before use.
